EDUCATIONAL TRAINING

Carleton University Ottawa, Ontario	Bachelor of Architectural Studies (B.A.S.) with Distinction (Major in Design) Carleton University's Azrieli School of Architecture & Urbanism Study Term Abroad: Universität Stuttgart (Stuttgart, Germany)	Graduated: December 2011
--	--	-----------------------------

RELATED SKILLS

Leadership & Communication	▪ Experience launching and leading numerous initiatives (see personal projects & initiatives) ▪ Works effectively within and encourages to work within collaborative team dynamics ▪ Strengths in communicating through writing, hand-sketches and idea/concept mapping ▪ Native in English (oral, written); basic knowledge in German, Korean, and some French
Print & Graphic Design	▪ High level of knowledge in digital image creation, web & user interface detailing, photo processing and manipulation with Adobe Photoshop ▪ Rapid interface prototyping, print layouts and design with Adobe Illustrator ▪ Produced a wide variety of websites both professionally and as a hobby since 1999 ▪ Fluent with frontend web design languages: HTML, CSS; familiar with basic PHP, JavaScript
Photography & Cinematography	▪ Fluent in digital RAW processing workflow (incl. batching) using Adobe Bridge and Photoshop ▪ Directed and edited several short films; including storyboarding, screenplay ▪ Made the top-10 list for "Arrival/Departure" at the Toronto Film Challenge '07
Architectural Design	▪ Formally trained in the art of representing spatial environments (from concept to manifestation) ▪ Experienced using AutoCAD modifying and creating AIA-standard architectural drawings ▪ Fast and proficient skills using Google SketchUp Pro (quick mock-ups to detailed models)
Teaching/Mentoring	▪ Teaching Assistant for three terms at Carleton University; Nominated for TA Award ▪ Makeshift Youth Studio: 2011 Summer Program for High School Students ▪ Development of critical-thinking; design-thinking; portfolio development; drawing & mappings

PROFESSIONAL EXPERIENCE

Partner; Senior Graphical & Visual Strategy SoCreative Solutions Inc.	SoCreative Solutions Inc. (Ottawa, Canada) Founding partner at start-up company offering creative internet solutions and products based on social-media. Overseeing the graphical and visual strategy of current product development focusing on sales distribution.	2009 – Present
Freelance Work Alex M. Chong	Self-Employed Freelance Work (Toronto, Canada) Freelance work ranging in print design, branding, web interface design, mobile software interfaces, photography and promotional videography.	2007 – Present
Teaching Assistant Carleton University	Teaching Assistant at Carleton University (Ottawa, Canada) Rare privilege for undergraduate students: focused on design mentoring in courses: Intro to Architecture / Intro to Multimedia / Architecture Studio 1	2010 – 2011 (Three Terms)

Student Intern CORE Architects Inc.	CORE Architects Inc. (Toronto, Canada) Worked on the modifications of various client construction drawings. Developed digital library database as initiative.	Summer 2009
Executive Assistant Peter A. Gabor, Architect	Peter A. Gabor, Architect (Toronto, Canada) Implemented new procedures to increase in-office communication efficiency; direct communication with clients, associates, and principle architect.	Summer 2008

PERSONAL PROJECTS & INITIATIVES

Personal Initiatives	Student Lecture Series (Carleton University) 15 students practice making connections by cross-pollinating personal interests with new topic of exploration, develop their presentation over 6-8 weeks of training, and present their findings at the student lecture series. Makeshift 22 @ Carleton University – facebook.com/m22carleton Multi-disciplinary collaborative projects group: consists of 20 members motivated to work on projects for personal growth and learning. Makeshift Network – wemakeshift.com Umbrella network under the philosophy of “challenging ourselves to learn”; consists of 4 developing university chapters of Makeshift22 (Western, Waterloo, Carleton, OCAD U), Makeshift Youth Studio, and Makeshift Films.	Jan – Mar 2012 2011 – Feb 2012 2009 – Present
Joint Projects	Konnect Leadership Project – konnectproject.com Leadership training program for university students to practice their leadership skills by developing programs tailored to Korean-Canadian high school students. (Executive Lead & Founding Team) Engineers Without Borders: Carleton University Chapter – carleton.ewb.ca Co-lead the creative design team in attempt to bring design thinking + graphical communication to practice at EWB Carleton. HUB Ottawa – hubottawa.org Participated in design-charrette as “anthropologist” to help incubate thoughts on creating a collaborative work environment.	2009 – Present 2011 Nov 2011

RESEARCH INTERESTS & EXPERIENCE

Research Interests	▪ Design-Thinking & Critical Application ▪ Design Pedagogy & Methodologies ▪ Collaborative Environments ▪ Motivational Psychology ▪ Mind/Idea Mapping ▪ Concept Ideation & Process ▪ Community & Business Development ▪ Internal Organizational Structures
Research Experience	Research Assistant to Roger Connah (Director of M.Arch Grad Studies at Carleton University) ▪ Developing tools for physical concept representation ▪ Created animated time-based mappings for concepts on design pedagogy
